

A Message from the Director:

As we begin the new year, I want to thank the community for your continued dedication and support. It has been a year of growth, resilience, and meaningful work, and I am grateful to be part of such a committed team.

With this new chapter, new year, I will be stepping down as Director of iRecover. It has truly been an honour to serve in this role and to be part of the important work we do here.

I am pleased to introduce Rhea Olson as our new Director. Rhea is a long term iRecover employee and a valued member of our community. Her leadership and long standing commitment to iRecover positions her well to carry our work forward and I am confident iRecover is in great hands moving forward.

Thank you for being part of our journey. - Gabrielle Joy

What's Happening At iRecover:

We're pleased to announce that our treatment centre has once again earned CARF's highest level of accreditation, the Three-Year Accreditation. This recognition affirms our commitment to providing evidence-based, person-centred care that meets CARF's high standards. We are deeply grateful to our dedicated staff and supportive community, whose efforts make this achievement possible. We will continue to uphold these standards as we work every day to provide the best possible care for our participants.

The Christmas season at our centre was filled with warmth, tradition, and a strong sense of community. Participants celebrated the holidays with a traditional Christmas meal, special treats, gift exchanges, and visits from loved ones. Together, these familiar customs helped bring the feeling of home into the centre, creating a comforting and festive atmosphere for everyone.

Our Staff Christmas party this year was at the local Cow Patti Comedy Dinner Theatre to enjoy the Ethan Claybourne Christmas show. It was great to have so many members of the team gathered together to enjoy a night of laughter, delicious food, and good company.
